

# DEBT CLAIM CASES

The Rules of Civil Procedure and Rules of Evidence DO NOT APPLY to DEBT CASES unless specifically references in Rules 500-508. For those filing DEBT CLAIM cases, be aware that the 500-507 series of rules can be located at the link listed below. It is essential they be read if you are planning to file a DEBT CLAIM case.

The makers of the new rules indicated that they were written with specific intent to eliminate "legal trap doors" for pro se litigants. As an example, in a situation where a case is filed as a suit on sworn account, and answer is filed but not verified, the plaintiff can no longer seek a Judgment under Rule 93.

Note also that imbedded omission are no longer allowed and will be stricken, and parties who continue to file petitions with imbedded omissions after being made aware of the changes in the law may face sanctions. All discovery must be approved by the court (SEE rule 500.9).
